

OPERATIONS MANAGEMENT INTERN

Company Profile

CGB Enterprises, Inc. is an innovative and entrepreneurial company whose core business revolves around the agriculture and transportation industries in the Midwest and Mid-South, along the nation's inland waterways. CGB has expanded its services to include handling and transportation of bulk commodities and logistics operations domestically and around the world. Visit us online at www.cgb.com.

Job Description

This Internship will provide a hands-on experience that will give the Intern a view of the Operations Management position at CGB. The Intern will be given some of the same training as an Operations Manager as well as a meaningful special project to complete and present at the end of the Internship. The compensation package includes housing and salary.

The Intern will be learning about many of the Essential Tasks of the Operations Management Trainee listed below:

- Manage the company safety initiative
- Manage the facility operation for efficiency and profitability
- Lead the elevator employees to accomplish the work at hand and improve the facility
- Provide input for repair and construction projects

Requirements:

- Working toward a 4 year degree, preferably in Ag Systems or related field of study
- Knowledge of grain or bulk materials handling
- Leadership and managerial skills
- Problem solving skills
- People skills
- Conflict management skills
